Append an outline to this page of your relevant academic, leadership, work and/or research accomplishments and/or experiences that you have accomplished to date. Contributions described in this section may include academic, non-academic and research achievements (please see instructions). Provide background information on major scholarships or awards and their significance. **Publications are to be listed on a separate page** (please see instructions). **Do not exceed one typed page. Use Times Roman font, 12 point text, single spaced, 2 cm margins.**

Outline of relevant accomplishments/experiences attached:	<input type="checkbox"/>	YES	<input type="checkbox"/>	NO
Publication list attached:	<input type="checkbox"/>	YES	<input type="checkbox"/>	NO

K. APPLICANT'S CAREER DEVELOPMENT PLAN

Append a document to this page describing your career goals and how the above achievements, publications, awards and related work and research experiences have prepared you to this point to meet your career aspirations. Also, outline the reasons for undertaking the current program of study as it relates to your career progression, your specific career objectives and how your future career plan(s) will be enhanced by the proposed research training experience outlines in this application. **Do not exceed one typed page. Use Times Roman font, 12 point text, single spaced, 2 cm margins.**

Career development plan attached:	<input type="checkbox"/>	YES	<input type="checkbox"/>	NO
-----------------------------------	--------------------------	-----	--------------------------	----

2. LETTERS OF REFERENCE

Identify the **THREE** individuals who have been asked to submit a letter of reference on your behalf. If a research supervisor has been identified, one of the three requested letters must be from the primary research supervisor.

Name	Institution/Organization	Email Address
(Primary Supervisor)		

Letters of reference should highlight the applicant's strengths as they relate to suitability and experience for the proposed work in this training environment (e.g., originality, technical ability, demonstrated skills, judgment, critical skills, etc.) and the benefit that the proposed experience would provide the applicant towards their career goals.

Letters of reference should be submitted by e-mail directly to snydered@ucalgary.ca by the stipulated deadline date.

The letter from the proposed supervisor must provide details and rationale for selecting and proposing the candidate for Snyder support. The letter must also include a commitment to continued funding at the expiry of the Beverley Phillips Graduate Award and any other details requested as outlined in the award terms of reference

3. PROPOSED RESEARCH PROJECT

The **applicant** is to provide a description of the proposed research project for the period during which the award is to be held. Background information should indicate the position and significance of the proposed research within the context of the current knowledge of the field. The research plan outlining the proposed project should state the specific objectives; outline the methodological approach; and the defined key milestones or deliverables to be achieved. **Do not exceed the space provided below.** **Use Times Roman font, 12 point text, single spaced.**
